

10th Anniversary Sale

Rockin  Simmentals

MARCH 16
2024

SATURDAY · 1:00 PM

Carby, Minnesota

Welcome!

10th Annual Rockin H Simmental Production Sale 2024

Wow! It is hard to believe that it has been 10 years already and we have made it back to March. Time sure does seem to fly! After going through last year's winter that seemed to be a never ending battle of moving snow and bedding cattle, it is nice to receive a much needed break from Mother Nature. We couldn't be more blessed to have received a winter that is mild tempered so far.

A little bit about our operation . . . Our operation consists of a cow/ calf, seedstock, feeder calf to feedlot operation between three farms that are currently in it's fourth generation and the fifth generation being raised up in our operation. We live near Canby MN, located in southwest Minnesota next to the Buffalo Ridge and South Dakota. Now is a great time to be in the cattle business with feeder calves selling for all time high prices and the bred cattle market setting records across the country, along with investing in high quality genetics. The sale cattle offering is some of the highest quality that we have ever offered up for sale.

The bulls have once again been tested for Homozygous Black/Polled traits, along with a select few Genomically enhanced traits. The bulls have been scanned again and the data will be available online and the day of the sale along with scrotal measurements and fertility testing done prior to the sale. We have decided again to offer up a select few open heifers that were pulled right off the very top of the replacement heifer pen. They are of the highest quality we have offered with donor potential.

We will keep and feed bulls for you until April 16th free of charge if unable to take bulls right away. We will deliver bulls to the surrounding states free of charge and can assist you in trucking arrangements if needed. The sale will be on DV Auction for online bidding and cattle viewing if you are unable to attend the sale in person. Our passion is raising Simmental cattle and working for our customers. We love to talk cattle and would love to hear from you if you have any questions. If you would like to stop out and view cattle prior to the sale, get ahold of us as we would be happy to show you around.

Our guest consignor is Nemitz Cattle Company who brings an offering of Simmental bulls to the pens as well. Be sure to check them out.

Thank you to everyone for joining us at our 10th anniversary sale this year online or in person. We couldn't do what we love without the support of our fellow cattleman and women.

ROCKIN H SIMMENTALS

Message from Sale Management:

Welcome to the Rockin H 10th Anniversary Production Sale!

We would like to extend this invitation to all of you to join the Hoffman family and all of us on the Rockin H team to the 10th anniversary sale. You will find this year, the most consistent set of powerhouse bulls that would be hard to find anywhere. Matt has stepped up to the plate with this offering! Red and black bulls that are impressive from head to tail while offering big tops and sound structured cattle that will cover ground and withstand the long haul. The bonus for this anniversary sale is the fact you can invest in full sibs to the \$95,000 rockstar Rockin H Captivate. These genetics are lined up to advance any progressive breeding program. The Rockin H ladies are also very impressive with strong family trees to back them up.

Matt & Holly are setting the bar high this year and excited to share their powerhouse genetics with you. Please feel free to reach out to the Hoffman crew or us if you need assistance with choices. Come early as Holly always has a wonderful meal waiting for you!

Sincerely,
Eberspacher Enterprises Inc

Full Brothers to Rockin H Captivate J15

The wait is over and the excitement and anticipation is over. We have been hanging onto these three full brothers to Captivate, the 95,000 dollar bull that we sold in our 2022 sale to Lazy C Diamond Ranch and Bichler Simmentals. We've been waiting for this day for too long. Rockin H Captivate has risen straight to the top in the Red Simmental world and has commanded the attention of our country's top breeders in a short time. Captivate's offspring have been in high demand topping sales across the country and he has only been out for a short time. To say we have been blessed to have raised a bull of this caliber is an understatement. To have had so many people reach out to us about Captivate is truly an honor and a humbling experience to be a part of. These 3 full sibs are a statement made by their dam Rockin H Ms.Carolina with her ability to produce the country's top red Simmental bull and showing she can produce some great ones again. We look forward to the future of what this great donor can do for our industry again.

We think these 3 brothers are all very good but different in their overall design. Lot 1 is the most like Captivate in his make up but with more power and length in his design. Made with awesome feet and legs that are super sound, easy moving and completed with an excellent disposition. He has a world of potential and could follow right in his brother's footsteps. Look him up sale day as he is a ranch and visitor favorite. L86, Lot 3, is built with more rib shape and depth than the others. He also has a cool blaze face, excellent structured and is sound. L79, Lot 2, is the more stylish one of the 3 brothers but just in the jet black package.

THSF Lover Boy B33,
Sire of Lots 1-3

Rockin H Ms. Carolina is natural calf and the youngest bull in the offering this year. He performed really well at weaning time ranking first in his group and rounding out in the top five at yearling weight time. Ranking in the top 2% for weaning and top 5% at yearling weight EPDs. Cut from the same mold and factory as his extremely popular maternal brother Rockin H Captivate.

cover your cows. He's long cool fronted, deep bodied, and sound on the move. Want a bull to make some fancy replacement heifers, here he is.

Daughters & Granddaughter of Rockin H Ms. Carolina

These 3 ladies are the full sibs to Captivate. We decided that if we are offering the bulls that we should offer the heifers as well to make our 10th anniversary sale even more special. To be honest, the decision was really hard for us to make with knowing the caliber and potential that these three special ladies have. We couldn't be more proud of what Rockin H Ms. Carolina has done for our program. Her ability to produce high quality bulls but also showing us she can produce high end donor quality females as well. With that being said, we will be offering up these three special ladies for your appraisal.

Rockin H Ms. Lainy is the one that makes my heart skip a beat when I see her. She is super attractive, super deep and bold in her rib, tied into a big, wide top and hip. Lainy has that stare at me presence and moves out with ease. We think this heifer has a world of potential and could be better than her dam. If we could mass produce replacement heifers around here, Lainy is what we would want them all to look like. A bright, bright future is ahead of this fancy female. **Rockin H Simmentals would like to offer half interest on this genetic donor treasure, with possession negotiable.** Please reach out to us to discuss the future of Lainy.

Rockin H Ms. Carolina, Dam of Lots 44-46 and Grandam of Lot 47

Rockin H Ms. LoverGirl L35 is the longest, stoutest made of the three sisters. She has a world of potential and a bright future of production ahead of her. The type of a female that can produce high end bulls and replacement heifers. **Rockin H would like to reserve the right of 1 flush on this female at the buyer's convenience and at the seller's expense.**

Cow power bred with a unique pedigree... combined with an impressive set of EPDs. Ms. Captivate is the type of heifer that will go on to produce high quality sale topping bulls and fancy stout replacement heifers. The CDI Authority cattle topped many sales across the country over the years and the combination of Captivate and Authority is a sure winner and an investment guaranteed to work.

Real fancy blaze face Captivate daughter out of my son's show heifer. We purchased SC Robins Kiss from Shoal Creek. Liberty's grandam, SC Robins Kiss, is a mainstay donor for Shoal Creek in MO, producing many sale toppers and showing champions over the years. Liberty is broke to tie and would make a great beginner show project and an awesome cow when her show career is over.

Dakota has been a mainstay donor for us over the years producing many sale features and high sellers in past sales, proving to be a super consistent donor raising high quality cattle for us. This year Dakota's natural bull calf sells as Lot 7, another phenomenal sale feature. Dakota started her career off in the show ring with success and moved into the donor pen shortly after. A pedigree that is backed by one of the breeds top donors HSF Victoria P30. We will guarantee 1 successful 60-day pregnancy if the embryo work is performed by a certified embryologist.

 HS Glamour Baby or AKA G Baby was purchased from Hilbrands Simmentals off the Jewels of the Northland Sale. When we first saw G Baby, we knew she would fit in well here with our operation. She is built with so much rib dimension and mass, heavy bone big wide topped and super cool easy moving. Sired by the great Mr CCF 20-20, that has left a huge impact on the Simmental breed along with her maternal grandam Burn Baby Burn. We will guarantee 1 successful 60-day pregnancy if the embryo work is performed by a certified embryologist.

 Loaded Beauty AKA "Shay" at our place ran a successful show career for 2 1/2 years before we retired her and let her live her life in the pasture with the others. She was a MN State Fair "Triple Crown" winner in the 4-H, Open Class, and FFA Simmental cow/calf shows as well as 4th overall pair at Jr. Regionals in Fargo ND. Shay had a natural calf sired by Quantum Leap in 2020 that sold in this sale in 2021. He was deep sided, awesome fronted, and massive hipped with so much muscle definition. We loved him so much we decided to flush her to Quantum Leap to see if we could get a few more bulls like her natural one and to see what a heifer could be. We haven't had the chance to use any of these embryos yet so take this opportunity while you can. This may be the only time to get your hands on this mating! Let this proven mating do the work for you and hopefully have the same success that we did. We are offering up 3 Conventional Embryos from this mating. We will guarantee 1 successful 60-day pregnancy if the embryo work is performed by a certified embryologist.

 Miss Behaven or "Bea" as she is known around here, was purchased from Hilbrands Cattle Company with the intent of "going out with a bang" in my final years of junior shows and to become a premiere breeding piece in my small herd. Bea did not disappoint for my last years, Champion Simmental Female at the North Star Classic in ND as a bred heifer, Top 10 Cow/Calf pair at Junior Nationals, 3rd Overall cow/calf pair MYLE, Reserve Champion Simmental Pair MN State Fair Open Class and FFA. Bea is built with so much natural rib and mass, yet feminine, and carries herself tremendously. So far, we have not been disappointed with her 3 natural calves. Her pedigree is stacked from top to bottom with her sire, SC Pay the Price and dam HILB Behati, and her grands Pays to Dream, Uprising, and Baby's Breath. We felt that she was meant to be a donor cow so we flushed her to WHF Double Up, the 2021 Cattleman's Congress Reserve Grand Champion Purebred sired by W/C Executive Order. This mating is packed with winning titles and a family lineage that is as well-known as the British throne. We are offering up 3 Conventional Embryos from this mating. We will guarantee 1 successful 60-day Pregnancy if the embryo work is performed by a certified embryologist.
